The Full Story

Prospectus for the 2020/2021 Exhibition Season

Coker University uses the Cecelia Coker Bell Gallery to broaden our students' exposure to artists with regional, national, and international reputations. Interest in our exhibition program extends beyond the university community and we encourage public participation in all exhibitions and artists' presentations. We have shown artists from France, Australia, Canada, Germany, Japan, the Netherlands, Peru, Portugal, South Africa, and all regions of the United States. Works exhibited in our gallery are for sale; however, we do not focus on sales and sales are not common. Coker's exhibition review committee selects thought provoking art that challenges and inspires. With this in mind, our review committee looks for innovative works of art by artists who desire exposure in an academic setting.

Next Review Deadline:

Postmarked no later than October 31, 2019 for the 2020/2021 exhibition season.

What you send

Upload 15 images, image list, and CV to Dropbox.com and share folder with artgallery@coker.edu or send materials to Renny Prince, Coker University Art Dept., [300 East College Ave., Hartsville, SC 29550](#). In addition to the 15 submitted images, links to webpages are welcome, but are not required.

**Be sure to include your e-mail address on your CV or we will not review your proposal.*

Image Format

Digital files are viewed with a digital projector and should hold up to close examination. JPG files created from sharp images with a physical size of at least 1200 pixels wide, at 72 dpi should hold up well on our projector: include detail images where you deem appropriate. *Do not send files as part of a viewing program (such as PowerPoint). We want JPG files that we can drag and drop into our own picture-viewing program.*

Media

We accept works in all media; however, gallery hardware is limited to two computers (Macs) and one digital projector for use with computer or DVD projection. If you have your own equipment, we have wi-fi and have an adjustable ceiling hanger for video projectors/players and an iPad lockbox.

We Provide

- \$300.00 towards shipping (total).

- \$200.00 for artists who give a gallery talk/presentation during their show.
- Color poster (at our expense): the color posters are a small run that we have printed (professional full color digital printer) for display around campus and we set aside a few of these for the artist's use, at no charge. The artist can arrange for a larger run, from our printer, if willing to assume cost of extra posters.
- Reception for show opening.
